Location of publication or distribution (name of journal or publication or website) \_\_\_\_\_

Date of each publication: \_\_\_\_\_

If work has been published or distributed, please provide details of the publication/distribution:

*If the answer to any of the above questions is YES, please provide detailed information and attach any grants, abstracts, manuscripts, articles, presentations, etc. Please keep our office informed of any future submission or acceptance for publication or other possible publications or distributions of the work.*

**Disclosure Required for all Third Party Material:**

*Materials easily available for download may be available without cost, but are likely still subject to license and use restrictions, such as open source licenses. All such licensing terms must be reviewed and complied with. All materials included in the work that were not developed by the Authors, including any preexisting works upon which the work was based, must be listed in the Material Disclosure. If the work is software that includes any open source code, in addition to identifying the pieces of open source code and their sources, please also identify the open source license to which the open source code is subject to the best of your knowledge. Also list any materials to which the work automatically links, executes or integrates in the work, such as code libraries, search algorithms and databases.*

**Description of Third Party Material Incorporated or Integral to Work:**

**Which Companies or Investors are most likely to be interested in this Work?**

Company	Contact	Phone	Email Address

**Commercial Potential:**

*Please describe the work's commercial potential in terms of the market for the sale or licensure of the work.*

*Per ABOR 6-908 and ASU RSP 604, the creator's share of "Net income" received by ASU from commercialization of intellectual property is divided equally among all inventors unless each and every inventor agrees in writing to a different distribution of the creator's share. Please contact AzTE if the creators wish to enter into a sharing arrangement for the creator's share that is different from that provided under university policies.*

**Certification and Acknowledgement:** *(please use additional copies of this page if more signatures are required)*

I certify that the information contained in this Copyright Disclosure Form is true, accurate and complete. I acknowledge and agree that the Arizona Board of Regents (ABOR) on behalf of ASU owns the discovery and intellectual property disclosed herein pursuant to [ABOR Intellectual Property Policy #6-908](#). Regardless of whether the work disclosed constitutes a "work made for hire" under applicable copyright laws, Title 17 of the United States Code, I hereby assign all rights in the work disclosed herein to ABOR on behalf of Arizona State University. I understand that Arizona Technology Enterprises (AzTE) is the intellectual property management organization for ASU.

If AzTE determines to seek any registrations for the authored material described herein, I will cooperate with AzTE in its efforts to do so and will sign such documents as may be required for this purpose, including but not limited to an assignment of the copyright to ABOR in a form requested by AzTE, a declaration as to authorship, and a power of attorney as necessary. I understand that ASU will adhere to the terms of ABOR policy #6-908, as amended from time to time, and, unless I agree otherwise, will distribute any proceeds from licensing or assigning the copyrights in accordance with such policy and [ASU RSP #604](#).

If it is determined that I am an author, I acknowledge that AzTE may need my contact information to facilitate the commercialization of this copyrightable material. As a result, I will promptly provide AzTE with any changes to my contact information. My failure to provide current contact information may affect AzTE's ability to prosecute and/or commercialize this copyrightable material and my ability to share in any commercialization revenue.
